

# Mountain Middle adds behavioral health specialist

Friday, Oct. 20, 2017 7:16 PM

Hackmeier

Mountain Middle School recently hired Amy Hackmeier as behavioral health specialist.

In her new position, Hackmeier will support behavior health needs of students, implement learning strategies and expand the socio-emotional learning curriculum to make bullying, suicide and substance-abuse prevention more effective at the school. She will also participate in integrated-health visits at the Pediatric Partners of the Southwest Student Wellness Center.

For more information, call 828-5600 or email [info@mountainmiddleschool.org](mailto:info@mountainmiddleschool.org).
