

Mountain Middle opens health center

Wednesday, Aug. 30, 2017 8:27 PM

Mountain Middle School and Pediatric Partners of the Southwest In The Schools recently announced that the MMS school-based wellness center is open.

A physician from PPSW, a school nurse from MMS and a behavioral health clinician will be on staff. Basic diagnostic tests, such as strep and urine, will be available on site.

For appointments or more information, call 375-0100.
